## Resources for Active Duty Service Members and their Families

Are you or a loved one recovering from a Traumatic Brain Injury (TBI)? If so, TriWest Healthcare Alliance is here to help.

The TriWest TBI team is available to support and collaborate with Military Treatment Facilities (MTFs) to help active duty TBI patients and families learn about TRICARE and VA benefits, and other available resources. This support is also available to members of the National Guard and Reserve who sustained a TBI while on active duty.

### What Will TriWest Do?

A dedicated staff member will work as a patient and family liaison for you and your healthcare provider(s) to ensure seamless, quality care. TriWest will evaluate all possible options for benefit coverage, including which facilities offer lower out-of-pocket expenses.

In addition to serving as a healthcare partner, TriWest has contacts with numerous TBI resources available to assist you and your family.

Depending on your needs, TriWest will work with you and coordinate with your MTF, VA or network provider to help ensure you receive optimal care.

Providing access to quality health care for 2.7 million members of America's military family in the 21-state TRICARE West Region. 1-888-TRIWEST (874-9378) ★ [www.triwest.com](http://www.triwest.com)
