

## **Reserve Component (RC) members and their families**

- *RC members* are eligible for TPR if activated for more than 30 consecutive days. Members must live AND work more than 50 miles or approximately one hour's drive time from the nearest MTF. It is key that the RC Service members' residence address is in [DEERS](#).
- *RC family members'* eligibility in TPRADFM requires that they and the Service member "reside with" one another in a TPR ZIP code. "Reside with" means that eligible family members resided with the Service member on the effective date of the Reservist's orders and remain living at the residence. The RC member is not required to be enrolled in TPR for his or her family to enroll in TPRADFM.
- The **family member enters the sponsor's home ZIP code in BOTH fields** in the ZIP Code Search for Eligibility tool below to determine eligibility for TPR/TPRADFM.
